

Developing and delivering Social Emotional Learning (SEL) lessons to support students' mental and behavioral health

"Monster Madness" Halloween themed SEL workshop students in grades K-5

During this 2 hour social emotional learning (SEL) Halloween themed workshop, students will read the book "Tease Monster" by Julia Cook. Participants will explore "spooky" emotions and learn that ALL feelings are ok to have...they are a part of who we are! Since costumes and Trick or Treating are often part of Halloween traditions, participants will learn what behaviors are *expected* and *unexpected* in order to ensure safety and fun for all. Through the use of stories, video clips, and Halloween themed games and crafts, students will have FUN while learning valuable SEL skills.

**Please note this is a drop off workshop only*
